Plaque Honors Dr. Deaton

Christ Lutheran Church will unveil a bronze bas-relief plaque Sunday in honor of the late Rev. Dr. John L. Deaton, pastor of the church for 26 years.

The plaque, which depicts Dr. Deaton in his clerical robes, will be unveiled at ceremonies following the 11 o'clock service in the church at Charles and Hill streets.

The memorial plaque was presented anonymously by two members of the congregation.

Kramer Is Sculptor

It was executed by sculptor Reuben Kramer, F.A.A.R., after months of preparatory work. Mr. Kramer, who had never met Dr. Deaton, studied some 40 photographs of the minister in planning the work.

He worked out the details of the portrait of the pastor in several, including several in the round before the finished bronze plaque was cast by a New York firm.

Dr. Deaton, whose service for Christ Lutheran the plaque commemorates, died November 8.

Church Built in '58

During his pastorate, a parish house was built in 1936 and a church in 1958.

The church, which covers a half-block in downtown Baltimore, is called by many the city's most beautiful church of early Gothic architecture. It serves members from throughout the city and surrounding counties.

Known as a humble but fearless and dedicated man, Dr. Deaton was highly respected for his service to the church and to the community.

SPIRITUAL VITAMINS FOR OUR CHILDREN

Giving our children all they want to eat may not be enough. They must have the right kinds of food, as well as the right amounts. Otherwise they have a secret hunger which remains unsatisfied and someday causes trouble.

Lots of children have another kind of secret hunger. It isn't for food, and it isn't something they understand. If they could explain it, they might say it is hunger for faith. No one is helping them to believe in something that gives their lives growing meaning.

More than half of the children in America do not receive religious training. Millions of parents who are "church members" are too careless to come to church themselves (except on Easter) or to take any real interest in the religious development of their children. And millions more of our American grownups do not even call themselves members of the church and are even less concerned about the spiritual welfare of their children.

All children need spiritual nourishment. They need loving and secure homes where they gain stability and poise for meeting the battles of life. Such homes do not exist where God is dishonored. They need to grow in a Christian understanding of life, for without it they will always be at the mercy of the selfish tendencies which are natural in human hearts. They need conviction that this life is a preparation for greater life beyond.

Faithful Christian parents must remember always that their first responsibility toward their children is to guide them in religious faith and life. The home is the greatest schoolhouse. Children should learn at home the Lord's Prayer, the Ten Commandments, the Creed, and should be led in the reading of the Bible. They must be carefully trained in Christian attitudes. They must be inspired by the good example of their parents in faithful attendance at the services of the church.

THE FINAL

Children's Chapel Service for this season will be held today and will be resumed in September. We urge all parents, or teachers, to bring their children with them to the services in the Church. We feel sure that all children from first grade up will benefit by this opportunity of worshipping with the adult members of their families in our beautiful Church during the summer months.

The Nursery will continue to be held at 11 A.M. for children under six years of age.

We wish to take this opportunity to express our appreciation to those who have been so faithful in helping with our Children's Chapel program during the past season.

The services have been ably conducted by the Church staff and councilmen. Acolytes and ushers have served from the Chapel members.

Mrs. John VanPelt, our organist, with the Primary, Chapel and Intermediate Choirs, directed by Miss Moyer, and assisted by their choir mothers, have rendered a splendid service in music for our Chapel Services each Sunday.

For the Second Miller's program, Mr. Orin Jennings, and his assistants, have been most generous in bringing us excellent films, courtesy of the Folkemer Photo Service.

We are also grateful to the parents and other adults who have attended and assisted in conducting our Chapel program. We pray that the fruits of these labors will result in a well-trained and faithful congregation for the future of Christ Church.

CHRIST LUTHERAN CHURCH, Charles and Hill Streets, will have an unveiling service of a bronze plaque of their late Pastor, the Rev. Dr. John L. Deaton, on Sunday morning, June 11, 1961, in connection with their eleven o'clock service. Dr. Deaton, who served as Pastor of Christ Church for twenty-six years, entered the Church Triumphant on November 8, 1960. During his pastorate, a Parish House was built in 1936 and a Church in 1958. It is called by many the city's most beautiful Church of early Gothic architecture. The entire Church plant covers over a half-block in downtown Baltimore. The membership extends throughout the city and counties of Baltimore.

Dr. Deaton was a humble man but fearless and was dedicated to the Lord's work. He was highly respected by all who knew him through his many services to the Church and other community agencies. He was endowed with many talents and with the courage to speak for the control of the vices of gambling and liquor.

The bronze plaque is the gift of two members of the congregation. It was executed by Reuben Kramer, F.A.A.R., who is well-known for his sculpture work throughout the states and abroad. His work is represented in the permanent collection of the Baltimore Museum of Art, the Corcoran Gallery, the Watkins Gallery, etc. Mr. Kramer was made a Fellow of the American Academy in Rome for his outstanding works.

The officiants in the service will be the Rev. Rodney A. Gatzke, the Rev. L. Crosby Deaton, Dr. Lawrence D. Folkemer, the Honorable Theodore R. McKeldin and Mr. Robert Hyson.

Dear Dr. Folkemer:

Thank you for considering me as the sculptor for the Dr. John L. Deaton bronze portrait. I saw the wall and spoke with the engineer concerning the installation and the lighting of the sculpture. We later went over to see the present portrait so he understands very well the work to be done.

I feel the size of the bronze plaque should be similar to the existing portrait, not smaller. The price for the sculpture is three thousand dollars (\$3,000.00). The drilling of the holes and the setting to be done by the engineer supervised by the sculptor. The work should take about six months or three months after your approval of the model. Sketches will be made to solve the shape and design of the panel and the direction of the head - looking north or south. Please telephone me if additional information is needed.

Reuben Kramer's Classical Mold

By Samuel A. Zervitz
Associate Editor

"A strong sculptor who works with human figures need not be concerned about being in the mainstream."

—Reuben Kramer

Demographically, Baltimore would appear art-wise an enigma to the layman. The city has a large group of women painters that collectively are quite skilled and do well at shows. Young artists abound, and many of them currently send their best work to New York where the competition is severe but there they can ask triple the Baltimore price. There is a group that has been plugging along for twenty or thirty or more years, through good times and bad; some of them claim to have national and international reputations.

There was Aaron Sopher: There is Reuben Kramer.

Reuben Kramer lives and works in Baltimore proper in the kind of studio home you can easily overlook and later wonder how you could have missed it.

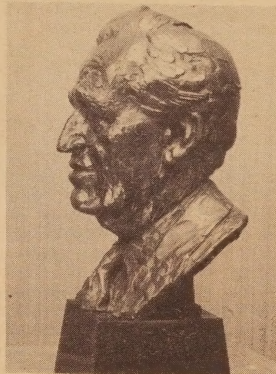

Up and down a street you drive several times, checking the addresses; finally you pull over to the curb and ask a woman sweeping off her porch where the number is. She shouts down:

"You mean that fella that makes things?"

You nod and she points toward the middle of the block on the other side of the street.

It is a sunless day and there is a grey monotony to the neighborhood; a slow, tired quality. Reuben Kramer's home, sandwiched between middle-aged townhouses and facing a school-rec center complex, when you first take note

Very likely, no other home in the downtown area comes close to resembling this one.

FOUNDER of Sun Life Moses Rothschild, a portrait by Reuben Kramer.

The gate has a tricky lock that comes apart on the third try. You knock at a thick windowless wood door that is one wall of a three-sided alcove.

A few minutes later Reuben Kramer's wife Perna answers. An artist also, she immediately vanishes into a studio of her own at the rear of the main studio.

Reuben Kramer is perhaps twenty feet off the ground on a ladder installing a sliding door. He shouts down that he will be with you shortly.

Armies of raw clay shapes and figures in a multitude of sizes, some needing a little work, some nearly completed, some hardly begun, line the tables and shelves.

You notice an unusual paint-

ing with a whimsical half-moon glowing above a flat landscape.

His carpentry finished, Reuben Kramer climbs down and mentions proudly that his wife did the painting.

About his carpentry, he says it is manual and very close to his art. His is a skill somewhat like building; it requires great strength, strong hands and arms.

He looks the part of a sculptor; his body is square and heavy, his shoulders are wide. He is short but there is a power and intensity in his size; a sculptor's geometry to his frame.

The clothes he wears give him maximum freedom and comfort; a tent-like shirt untucked at the waist and loose-fitting brown slacks.

He mentions that these are very special clothes that he works in; he has them custom-made and buys the outfits a dozen at a time.

His movement is brisk, planned, never wasted. What he is about to show you will take on the style and pattern of a museum tour. This is his world, he knows every inch of it, and with each gesture, each word, he is guiding you more deeply into its interior.

Spotting something on the floor that does not belong, a bit of clay or dirt, he bends over to scoop it up and deposits it on a nearby table.

All the years of labor are in this studio; and moving through it you are receiving a time's-eye view of the life of a sculptor in progress.

In 1934, he mentions, the

The Scripture Lesson—The Prayer

The Offertory Anthem—"Great Is Jehovah, The Lord" Franz Schubert

"Great is Jehovah, the Lord, for Heaven and Earth testify to Thy great pow'r! 'Tis heard in the fierce raging storm, in the torrent's loud thundering roar, 'tis heard in the rustling of leaves in the forest, seen in the waving of golden fields, in loveliest flower's gaudy array, 'tis seen in myriad stars of heaven. Fierce it sounds in the lightning's brightly quivering flash. Yet clearer by throbbing heart to thee proclaims Jehovah's power, the Lord God Almighty. Look thou praying to heav'n, and hope for grace and for mercy. Great is Jehovah, the Lord!"

A WORD OF APPRECIATION

YOUR PASTOR wishes to take this opportunity to express his deep appreciation of the privilege of serving God with and through the good people of Christ Church for the past twenty years.

First of all we thank God for His preservation, His guidance, His unfailing mercy and all the manifold blessings which He has so graciously bestowed. Without Him we can do nothing. To Him belongs the glory for any progress made.

Secondly, we thank the loyal and faithful members of Christ Church for their love, appreciation and support so freely given through these years. No minister ever served a more wonderful congregation.

Thirdly, we thank the Church Council for their recognition of this occasion and the Anniversary Committee and their Assistants for their untiring efforts to make this Anniversary meaningful in the life of our Church.

Fourthly, we pray God that His blessing may rest upon us as we join hands and hearts to do a greater work for Him in the days ahead.

THE FLOWERS on the Altar have been presented in loving memory of Mrs. Lillie Hoffmann by her daughter Katharine.

FACTS ABOUT OUR PASTOR

John L. Deaton was born in Selwood, S. C. He is the son of the late Rev. and Mrs. W. A. Deaton of Boone, N. C. Most of his early life was spent in Hickory, N. C., where for twenty years his father was Pastor of Bethany Lutheran Church.

He was graduated with honors from Lenoir Rhyne College, Hickory, N. C., in 1915. He received his theological training in the Philadelphia Seminary and was ordained on May 22, 1918 by the Ministerium of Pennsylvania. In June 1935 he was awarded the degree of Doctor of Divinity by Lenoir Rhyne College.

Pastor Deaton began his ministry in Wyomissing, Pa., a suburb of Reading. Under his leadership, The Church of the Atonement grew from a mission of twenty-eight members to a self sustaining congregation of four hundred members in five years and erected a beautiful Gothic Church at a cost of \$100,000.

The Rev. John L. Deaton became Pastor of the Church of the Advocate, Germantown, Philadelphia in 1924. During his ten years there the Church trebled its membership, was led out of debt, and was left one of the most active and flourishing congregations in the Philadelphia area. During this pastorate he married Isabelle Berger of Schuylkill Haven, Pa. To this union was born two sons, L. Crosby, recently ordained to the ministry, Hugo, presently studying medicine at Columbia University, as well as a daughter, Barbara Jane now a freshman at Swarthmore College.

On December 17, 1933, Christ Church at its 46th Anniversary Service voted unanimously to extend a call to Dr. Deaton to become its Pastor. He accepted the call and was installed on Sunday, February 4, 1934. Dr. L. M. Zimmerman, Pastor Emeritus, presented the charge to the congregation and Dr. J. Edward Harms, President of the Maryland Synod, the charge to the Pastor.

Pastor Deaton recognized very early the urgent need of adequate housing of our Bible School. Under his leadership, and with the benefit of his expert knowledge of construction problems, was erected a Parish House, widely recognized as one of the outstanding buildings of its type.

Dr. Deaton is a forceful preacher and has pioneered in the radio ministry. Regular broadcasts of the morning services for the past sixteen years have built up a large radio audience and made him perhaps one of the most widely known preachers in the State.

In addition to the heavy duties involved in ministering to the spiritual needs of a large, widely scattered congregation, Pastor Deaton has been active in seeking to improve moral and social conditions in the community. He has played a leading role in activities of the Temperance League and the Inner Mission Society. He has served as President of the Council of Churches of Maryland and Delaware, and is a member of the Board of the Legal Aid Bureau.

Dr. Deaton served for twelve years as a member of the Board of Education of the United Lutheran Church in America, was President of the Board for eight years. During his incumbency the Committee on Christian Higher Education raised more than seven million dollars for the Colleges and Seminaries of the Lutheran Church. For twenty years he was a member of the United Lutheran Church Committee on Church Architecture. At present he is a member of the Deaconess Board of the United Lutheran Church and of the Board of Trustees of the Deaconess Motherhouse and Training Schools both in Baltimore and Philadelphia.

We have indeed been blessed by our Pastor's ministry and have reason to thank God for the unswerving loyalty to us in the face of the many flattering and attractive calls to other fields which he has received and declined. Truly, it was a great day in the life of our Church that brought and has kept him with us.

The immediate future challenges his tireless energies and diversified abilities, as well as our cooperation in the erection of the long overdue Church edifice that will be worthy of the needs and traditions of "The Church You Can't Forget."

THE CHURCH

regrets to announce that on November 8, 1960 our beloved Pastor, Dr. John L. Deaton, departed this life with the sign of faith. The service of Christian burial will be held in the Church on Saturday morning at eleven o'clock. His body will lie in state in the Church on Friday from 2 to 9 P.M.

THANK OFFERING

Count the cost God paid for our sins. How many of us could or would give a Son to atone for the sins of the world? Certainly the overwhelming love of God has touched our lives in so many ways. Not only has He given us life, which is life indeed, but He has blessed us with every good and perfect gift.

Our hearts and all that we possess are moved when we survey the wondrous cross. Such an act of love must cause us to respond with all our being and all our earthly possessions. It is for us not only to say how thankful we are, but to show it through our material gifts, for such gifts enable the work of His Church and His love to go forward.

"God does His best for us, let us always do our best for Him."

HYMN OF THE MONTH

By recommendation of the Church Council, Christ Church will begin a hymn of the month program. The idea is to help the congregation grow in its knowledge of the wonderful music contained in the new hymnal. On the first Sunday of the month, at our morning services, we will introduce a new hymn. This same hymn will be used Sunday after Sunday in the same place in our service. Through this repetition we hope our people will come to know and love the wonderful musical heritage of our Lutheran Church.

"THE LUTHERAN"

How well informed are you about the United Lutheran Church? One way to be a well informed Church member is to read "The Lutheran," the weekly magazine of the United Lutheran Church in America. It contains articles on the Bible, Church news, doctrine, liturgy, student life, family problems and missions. The regular subscription price for one year is \$3.50, but if you order it through the Church it is only \$2. per year. You may leave your subscription in the Church Office today.

A CONGREGATIONAL HYMN SING

In place of the regular Vesper Service on Sunday, November 20, we will have a short devotional period to be followed by an old-fashioned hymn sing. An attempt will be made to bridge the gap between the old and the new, and a little of both will be sung. We urge all members to turn out for this fellowship hour.

Let us give thanks unto the Lord our God

Not everyone is able to give thanks to God. Some people don't have any capacity for gratitude.

In the Bible there is a story about ten men whom Jesus cured of a dreadful illness. Nine of these men, after they had been cured, went straight home. They were intensely happy, no doubt, but they gave no evidence of gratitude. Only one of the ten went back to thank Jesus for the miracle.

Some of the unthankful people are those who specialize in thinking about their troubles. They pay no attention to the good things which happen to them, but only to the misfortunes.

Other unthankful people are those who really feel that they themselves are responsible for everything they have. They are "self-made" people, and can't recognize any part which God might have in their success.

Some people give thanks for the wrong things. Jesus told of a man who prayed, "I thank Thee that I am not as other men are." That may be thanks, but it is the selfish kind. We should be as thankful for the happiness and good fortune of others as for our own.

True thanksgiving is possible only for those who are truly religious. It consists in knowing that God is the creator and giver of all good things. We thank Him for the gift of life, for our bodies and souls and all that is ours. We don't wait for Thanksgiving Day to acknowledge His goodness. We thank Him in our prayers every day. In our churches we sing hymns of thanks. In fact, *worship* consists largely of *thanksgiving*.

Truly religious people can thank God even in times of dark difficulty. They know even then that He is near, that He strengthens, comforts, and keeps hope alive.

"Thank you" is easy to say. But when we really mean it, we must do more than merely say it. Luther said we should "thank, praise, serve, and obey" God. These belong together. When we realize how much God has given us, we are eager to give thanks not only with our lips but in our lives.

"God Will Take Care Of You"

Be not dismayed what-e'er betide,
God will take care of you;
Beneath His wings of love abide,
God will take care of you.

All you may need He will provide,
God will take care of you;
Nothing you ask will be denied,
God will take care of you.

Thro' days of toil when heart doth fail,
God will take care of you;
When dangers fierce your path assail,
God will take care of you.

No matter what may be the test,
God will take care of you;
Lean, weary one, upon His breast,
God will take care of you.

Thro' every day, O'er all the way;

CHRIST CHURCH VISITOR

Published weekly by Christ English Lutheran Church, Baltimore, Md. Subscription price seventy-five cents a year. Single copies two cents each. Publication office 9 East Hill Street, Baltimore, Md. Entered as second class matter, January 9, 1936, at the post office at Baltimore, Md., under the Act of March 8, 1879.

"Fit language there is none for the heart's deepest things."

It was a truly great day in the life of our congregation that brought the Rev. John L. Deaton to us and kept him with us until God's call for him to enter the Church Triumphant superseded our claims upon him. We have indeed been blessed by Dr. Deaton's ministry and have every reason to thank God for our Pastor's unswerving loyalty to us in the face of the many flattering and attractive calls to other fields which he received and declined.

In addition to the heavy duties involved in ministering to the spiritual needs of a large widely scattered congregation, Pastor Deaton was actively engaged in seeking to improve moral and social conditions in the community. He played a leading role in the Inner Mission Society and the Temperance League. He served as President of the Council of Churches of Maryland and Delaware, and was a member of the Board of the Legal Aid Bureau.

Dr. Deaton served for twelve years as a member of the Board of Education of the United Lutheran Church in America, was President of the Board for eight years. During his incumbency the Committee on Christian Higher Education raised more than seven million dollars for the colleges and seminaries of the Lutheran Church. For twenty years he was a member of the United Lutheran Church Committee on Church Architecture. At the time of his death he was President of the Deaconess Board of the United Lutheran Church and a member of the Board of Trustees at the Deaconess Motherhouse and Training Schools in Philadelphia and Baltimore.

Our Pastor was a forceful preacher and pioneered in the radio ministry. Regular broadcasts of our morning services for the past twenty-four years built up a large radio audience and made him one of the most widely known preachers in the area.

Of his accomplishments in these many fields, we are justly proud. But it has been well said that nothing is real unless it exists at the local level.

Here again, Pastor Deaton passed the test with flying colors. He recognized very early the wisdom of giving priority to the need for adequate housing of our Bible School. So, under his leadership the Parish Hall, widely recognized as one of the outstanding buildings of its type, was erected in 1936. Finally, after long years of careful planning and hopes deferred, our beautiful place of worship was dedicated to the Glory of God on May 18, 1958. Our million dollar physical plant itself offers irrefutable evidence of what can be accomplished by devoted people with capable, inspired leadership under God.

But most of all, there abides in the heart of each of us his own fond memories of John L. Deaton as pastor, confessor, teacher, counselor, and friend.

*"The Lord has given; the Lord has taken away.
Blessed be the Name of the Lord."*

MISSIONS STEWARDSHIP EVANGELISM

BENEVOLENCE OBJECTIVES FOR 1961

A question asked frequently at this time of year by congregational finance committees and Church Councils planning for the 1961 Budget is this, "Where do we find the Apportioned Benevolence quota for our congregation, and what items are included in it?"

The Table listing 1961 Apportioned Benevolence and Lutheran World Action Goals will be found in the 1960 Convention Proceedings of the Maryland Synod, pages 179-181. The reported Communing Membership of 1959 serves as the basis for making the Benevolence Goals.

On Pages 54, 55, and 62 of the Proceedings will be found detailed information on the many items which are included in the Budget for 1961, adopted by the Synod in Convention. A careful review of these pages will be quite helpful in interpreting to the congregation the broad ministry of the Church made possible through the Synod and the Church at large.

The Stewardship Department of the Church provides information on the programs of the Church at large as represented in the ULCA Budget. Also furnished are tracts, folders and other useful items to help members grow in graceful giving.

"IN YOUR HANDS"

... this is the title of a four-page folder type of leaflet being produced by the Synodical Stewardship Committee giving a pictorial presentation of the Synodical Budget for 1961. A quantity of the Leaflets, sufficient for distribution at a Sunday Service will be provided for each congregation. The Packet of Leaflets should reach the congregations on or near to December 1.

ULCA CONFERENCE ON STEWARDSHIP

Hotel Warwick, New York, will be the scene of the ULCA's 1961 Stewardship Conference. The dates are January 30-31, 1961.

UNITED LUTHERAN CHURCH RANKS 30TH IN GIVING

The ULCA ranks 30th among 46 denominations in North America in giving for all purposes of the Church, a survey reported by the Department of Stewardship and Benevolence of the National Council of Churches recently revealed. Dr. Henry Endress, Executive Director of ULCA's Stewardship Department, further adds that an analysis of this Report also shows that United Lutheran ranked 21st in per capita Benevolence contributions for 1959. Per capita giving for Benevolence purposes by ULCA members was \$14.52.

The Lutheran Church, Missouri Synod was 16th, with \$19.05 per member. The Lutheran Free Church was 18th, with \$15.33. In first place was the Free Methodist Church with per capita contributions for Benevolences of \$156.07.

RESOURCE BOOKS FOR EVANGELISM

For the past several months assurances were given that the Resource Book for Evangelism would be provided for each congregation of the entire Church, by the Department of Evangelism. A number of production problems served to delay the publishing of the book. On November 4, the shipment for the congregations of Maryland Synod arrived.

Distribution of the Book was made to the congregations of the Western Conference at its session on November 7. Arrangements are being completed for the delivery of the Resource Book to the congregations of the Eastern Conference.

This Resource Book for Evangelism was motivated by a desire to relate the proven techniques of witnessing to a concept of the church as mission. It is designed to serve as an aid to congregational Evangelism Committees in planning effective programs meeting the circumstances of the individual congregations.

THE SHARING CHRIST PLAN

The ULCA Department of Evangelism has endorsed "The Sharing Christ Plan" as an Evangelism Program for emphasis during the 1961 Lenten Period. This Plan is a service project of the American Lutheran Publicity Bureau. A brochure will shortly come to each Pastor's desk describing the Plan, and listing needed materials.

CONFERENCE ON EVANGELISM PLANNED

January 24-26, 1961 has been scheduled as the time for the Conference for Synodical Evangelism Chairmen, to be held at Atlanta, Ga. A representative of each Synodical Evangelism Committee is invited to attend, as the guest of the Church's Evangelism Department. Others may also attend.

Theme of the Conference will be, "The Church in Mission." The ULCA Social Missions Staff will serve for the most part as the leaders and speakers.

NOTES ON MISSIONS

The Service of Organization for the Lutheran Church of the Redeemer, Damascus, Md., scheduled for December 4, 1960 has been rescheduled for the First Sunday in February 1961.

Dedication of the First Unit at Our Saviour's Lutheran Church, Temple Hills, Pastor Robert Hook, is set for Jan. 29.

The Christian New Year

ADVENT SUNDAY is "New Year's Day" in the Christian Year just as truly as the first day of January is New Year's Day for the world of commerce and business.

In the Christian Year, Advent is a time to give thoughtful and prayerful consideration of our attitude toward the Saviour-King Who comes "in the Name of the Lord." How shall we receive this Saviour-King? Will He find us with hearts joyfully responsive to His grace and truth and sovereign claims? Or, will He find us dull in spirit, weak in faith and sadly deficient in His service? The season of Advent (the four weeks preceding Christmas) should be for all of us a time of sincere heart-searching and rededication to the work of the Kingdom.

Let us earnestly strive to so prepare our minds and hearts that we may be ready to give our unswerving loyalty to our Saviour-King.

DR. JOHN L. DEATON,

our late beloved Pastor, leaves five grandchildren. The following letter was sent to them by two of our parishioners:

Baltimore, Maryland
November 8, 1960

Dear Boys and Girls:

Today is a glorious day. The sun is shining and many men and women are hurrying hither and yon to finish their chores so that they may get to the polls in order to elect the thirty-fifth president of this great United States of America. There is excitement in the air. Even in the Maryland General Hospital, your granddad is excited because he is going home to Old Orchard Road to regain his health in order that he might visit with you and that you might come to see him. It is such a beautiful morning!

Then suddenly God looked down and said, "John Leroy Deaton, you've had a wonderful life; you've done a tremendous job in advancing my kingdom. I think you need a long rest and I can think of no better place to get it than with me in my kingdom. Come on Home." And, so, children, that's the way your granddad's homecoming plans were changed.

Someday you will grow to manhood and womanhood. Your parents during all those years will have told you many happy stories and incidents revolving around the life of your grandfather. You will be fascinated by them and sometimes will wonder if they are not talking about Hans Christian Andersen or even Baron von Munchhausen. But truly, as a story teller, your grandfather had both of them far surpassed. Storytelling was only one of his many accomplishments. Not often does God give one person so many talents. Do you know that your grandfather could have been a successful banker, or politician, or orator, or teacher, or salesman, or lawyer, or have entered any other field that he would have chosen? Isn't it wonderful that he gave all those talents to the most important calling in life—the spreading of God's kingdom?

You know children, you have a wonderful heritage. Accept it and use it and make your granddad glad to have had you for a grandchild.

This is our wish for all of you.

Sincerely,

HOLY COMMUNION

What better way of preparing ourselves for the Christian New Year and for the Advent of our Lord than in participating in His Holy Supper. It is for this reason that many Churches throughout our land, on this the first Sunday of Advent, participate of the fellowship of the body and blood of Christ. We hope that all believing Christians will avail themselves of the opportunity of this fellowship at our 8 A.M. Service today.

FRED W. BESLEY DIES AT AGE 87

Had Been First State Forester In Maryland

Maryland's first State forester, Fred W. Besley, 87, died yesterday at the Laurel General Hospital.

Mr. Besley was the State's chief forestry official from 1906 until his retirement in 1942.

He was an official of three forestry groups at one time or another and held an honorary doctorate from the University of Maryland.

At his retirement the department consisted of some 50 full-time employees, and in a busy season would be increased to triple strength.

Born In Virginia

Mr. Besley was born in Vienna, Va., February 16, 1873. He attended the State's public schools and then the Maryland Agricultural College, now the University of Maryland, and he was one of

DR. WICKES DIES AT 83 AT HIS HOME

Gave Up Medicine To Enter Career As Stock Broker

Dr. Walter F. Wickes, who gave up a medical career to enter the brokerage business, died yesterday at his Guilford home, 12 Bishops road. He was 83.

He was the son of the late Judge Pere L. Wickes, of the Supreme Bench of Baltimore city, and the late Mrs. Henrietta Wickes. The doctor was the grandfather of Representative Daniel B. Brewster, of Baltimore county.

Dr. Wickes was the great-nephew of Capt. Lambert Wickes, the Revolutionary War naval officer who commanded the first American warship to visit Europe.

U.M. Medical Graduate

He was born in York, Pa., September 13, 1877. He practiced medicine in Baltimore for a few years after graduating from St. John's College, Annapolis, and the University of Maryland School of Medicine.

Relinquishing his practice, Dr. Wickes went to Chicago and became a stock broker. There he married Miss Catherine O. Young, a member of a prominent family, and they returned to Baltimore.

Their home, Wickcliffe, at Brooklandville, became one of the show places of the Green Spring Valley. Dr. and Mrs. Wickes entertained there frequently.

Dr. Wickes had a lifelong interest in thoroughbred horse racing. Until World War II, he maintained a stable of horses which he raced at Maryland tracks.

Mrs. Wickes, who died in 1942, was well known for her philanthropies and activities which promoted the welfare of others.

Remarried In 1947

In 1947, Dr. Wickes remarried. His second wife, Mrs. Marjorie William Wickes, survives him.

Dr. Wickes was a member of many organizations, including the Maryland Club and the Green Spring Valley Hunt Club.

Dr. Wickes also leaves five children, Walter F. Wickes, Jr., of West Chester, Pa.; Mrs. William F. Cochran, Jr., Mrs. Elizabeth Wickes Nichols, Mrs. John K. Shaw, Jr., and Mrs. William B. Alexander, all of Baltimore.

Funeral services will be private.

REV. DR. JOHN L. DEATON
Dies unexpectedly

DR. DEATON DIES OF HEART ATTACK

Was Pastor Of Christ English Lutheran Church

The Rev. Dr. John L. Deaton, pastor of Christ English Lutheran Church for the last 26 years, died unexpectedly yesterday at Maryland General Hospital.

Dr. Deaton's physician, Dr. M. Paul Byerly, attributed his death to a heart attack. The 66-year-old pastor was scheduled to leave the hospital today. He had been there for the last four weeks.

Born in Selwood, S.C., he spent most of his early life in Hickory, N.C., where for twenty years his father, the late Rev. W. A. Deaton, was pastor of Bethany Lutheran Church.

Ordained In 1918

He was graduated with honors from Lenoir Rhyne College at Hickory. He received his theological training at the Philadelphia Seminary and was ordained in 1918. Seventeen years later he was awarded a doctor of divinity degree by Lenoir Rhyne.

His first charge was a mission of 28 members in a Philadelphia suburb. In five years the mission grew to a self-sustaining congregation of 400 members and built its own church.

He accepted a call to be pastor of the Church of the Advocate in 1924. During his ten years at the Germantown, Pa., church, its membership trebled, it was led out of debt and was left one of

MAYOR BACKS PLEA OF CITY SERVICE UNIT

Group To Have Greater Voice In Determining Salary Increases

Mayor Grady gave his qualified indorsement yesterday to the plea of the City Service Commission for a greater voice in determining salary increases.

He said the commission's recommendation that its professional staff be employed in allocating raises where they are most needed will be tried out early next year.

In its \$3,000,000 package of salary increases for city employees next year, the Board of Estimates has set aside a \$350,000 "inequity" fund to provide raises to classes of employees whose scales are out of line with prevailing rates.

Mr. Grady said the commission will be asked to participate in the allocation of this fund, along with Charles L. Benton, budget director, and possibly the Committee on Employee Relations, an advisory group composed largely of private personnel executives.

Method To Be Studied

Once that task is out of the way, the Mayor said, the new method will be evaluated and the board will decide whether to authorize the continuing resurvey of classifications and salary scales proposed by Francis B. Burch, president of the commission.

The change, if it is made, would amount to a major revision in the city's salary administration policy. The City Charter vests authority to set pay rates in the board, and previous Administrations have been unwilling to relax their control over salaries.

In a conference with the Mayor last week, Mr. Burch proposed that the commission's staff begin next year a continuing reexamination of job classifications to see if they are consistent with modern practice.

He also recommended that the staff expand its comparative studies of municipal salary scales

J.A.C. SEEKS IMPROVED MENTAL CARE

Group Readies \$20,000,000 Crash Program For State

A crash program estimated to require as much as \$20,000,000 initially but bringing Maryland to the front in care of the mentally ill is being readied by the Junior Association of Commerce.

Planned for introduction before the 1961 General Assembly, the proposal would require major new construction, an increase of some 500 in personnel, strengthening of outpatient clinic programs, and intensified research and training.

A final draft of the report is being prepared. However, reliable sources said it offers savings vastly greater than the original cost after a period of a few years.

Would Lower Patient Loads

The economy would be realized by lowering patient loads in hospitals—including release of half the 11,000 patients now under treatment—a lower readmission rate, now at 42 per cent, and effective treatment before patients require hospital care.

The report will be an elaboration of preliminary findings made public last spring. It is the product of two years' study by the association's public health committee, headed by Dr. Julian W. Reed, assistant professor of medicine at the Johns Hopkins University.

The information made available yesterday was contained in a late draft of the report. Dr. Reed said substantial revisions have been made in the final draft yet to be released.

Seeks To Raise Standards

In a recent address and in the report, Dr. Reed said the goals of the study are to raise the standards of mental health care for all Marylanders. He specifically included accreditation for all the State's mental hospitals

ROAD ACCIDENTS KILL 3 IN STATE

Woman, 78, On Way From Polls Is Among Victims

An elderly Easton woman, being driven home after voting yesterday, was killed in a wreck at East New Market, in Dorchester county.

She was one of three persons who died yesterday from traffic accidents in the State. State Police said 439 have been killed on Maryland highways this year, compared with 450 by the same time in 1959.

Officers identified those who died yesterday as:

MRS. VIRGINIA T. WEBB, 78, who lived in the Home For the Aged in Easton. The station wagon she was in collided with a car at Routes 392 and 14.

SHARON DIANE HAREL, 11, of the 700 block Riverside road, Brooklyn Park. She was hit by a car on Ritchie highway near Eleventh avenue in Glen Burnie.

DEWITT C. HAMEL, 33, of Inkster, Mich., who was stationed at the Naval Training Center at Bainbridge. He was forced off Route 224 near Alken, in Cecil county, Thursday, and died from the injuries yesterday in the hospital.

Arundel Gambling Foe Sees It Keeping Industry Awake

[By a Sun Staff Correspondent]

Annapolis, Nov. 8—The president of the Citizens Committee of Anne Arundel County today called for a ban on legalized gambling to attract new business and tax sources to the county.

"Industry will come here as a direct result of the elimination" of slot machines and commercial bingo, the committee head, William J. Martin, said, adding:

"Industry seeks a location that offers a stable political atmosphere, sound fiscal policy and a healthy environment.

Endless Debate Cited

"Gambling and its uncertain financial return . . . political upheaval due to the continuous debate [for and against it] and the unhealthy circumstances of exposing workers and their families to this temptation certainly do not contribute to the attraction of new industry to our county."

Mr. Martin, who is manager of

lis from January 1, 1951 (until July, 1953)"

"During his term of office offered no resolution to abolish gambling [there] where home prevails and the mayor and Council have the power to do so," he said.

Mr. Martin, who is chairman of the Annapolis Planning and Zoning Commission, pointed out that the city was not granted home rule until after he had left office.

He commented further that treasurer was "incorrect" when he stated that the loss of gambling machine revenues would mean an increase of 40 cents per \$100 assessable value in the real estate taxes.

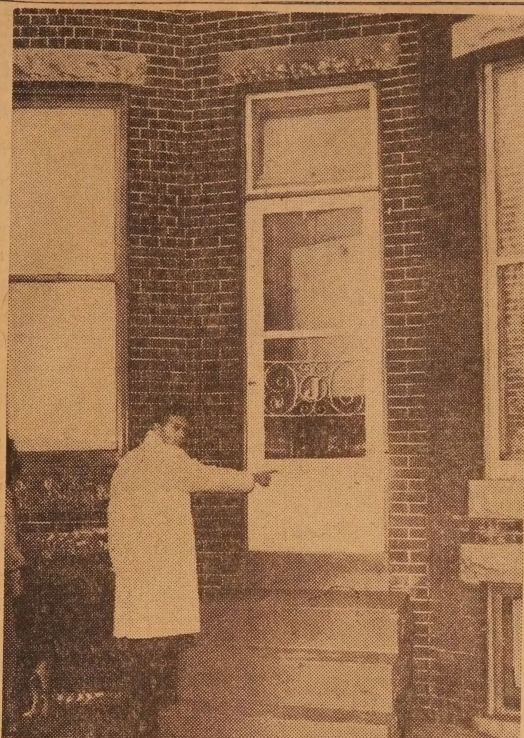

One method of increasing tax sources is to attract industry, Mr. Martin explained, another is the "recently proposed cigarette tax increase."

\$800,000 Gain Seen

"This measure alone would bring in an estimated \$800,000 additional revenue."

Reapportioning Suit May Lose, Judge Hints

Annapolis, Nov. 12 (AP)—Judge O. Bowie Duckett indicated today he would dismiss a suit seeking to force increased representation in the Maryland Legislature for growing metropolitan areas of the State.

The suit was brought by the Maryland Committee for Fair Representation, Inc., and sought an injunction to prevent candidates elected to the Legislature in 1962 from taking office unless a reapportionment of seats has been effected.

The State demurred to the suit, holding that the Circuit Court did not have authority to deal with the question.

After hearing arguments today, Judge Duckett said he would reserve a final decision until he has read all the cases cited.

Political Question

But he commented it appeared "this is a political question and not one for this court to substitute its judgment for that of the Legislature."

He said he agreed with petitioners that there is malapportionment in the Legislature but that the arguments are "all political questions passed to the Legislature by the Constitution" and not to the courts.

The committee, which represents citizens in Baltimore city and Baltimore, Anne Arundel, Montgomery and Prince Georges counties, argued that they have 76 per cent of the State's population but less than half the representations in the House of Delegates and approximately 34 per cent in the State Senate.

They argued this violated the Federal and State constitutional guarantees of reasonable representation.

Deaton Funeral Draws 800

More than 800 persons attended funeral services today for the Rev. Dr. John L. Deaton, 66, pastor of Christ English Lutheran Church, who died unexpectedly of a heart attack this week.

The services were held in the sanctuary of the Rev. Dr. Deaton's church. About 2,000 parishioners and friends viewed his body as it lay in state yesterday for seven hours.

The Rev. Dr. J. Frank Fife, president of the Evangelical Lutheran Synod of Maryland, was liturgist at the ceremony. He was assisted by the Rev. Rodney A. Gatzke.

The Rev. Dr. Carl C. Rasmussen delivered the sermon.

Davis Scotches Idea Of Uniform Salaries

Russell S. Davis, State commissioner of personnel, today scotched the idea of creating a uniform salary scale for Government workers in metropolitan Baltimore.

"As desirable as it might be," Mr. Davis observed, "it would be difficult, if not impossible, to accomplish."

The proposal was advanced by Francis B. Burch, president of the Baltimore Civil Service Commission, and member of the State Standard Salary Board.

Mr. Burch also suggested all Government agencies sign a "no-raiding" pact, another proposal which received a cool reception from Mr. Davis.

Biggest stumbling block confronting the uniform wage proposal, Mr. Davis said, was the Federal Government, which pays its workers higher salaries in almost every category.

He added that it was unlikely that Federal officials would create special scales for the Baltimore area.

Another ingredient for the plan's success, also currently

lacking, would be identical job classifications and similar qualifications for them among the participating agencies, Mr. Davis.

The Burch proposals will be discussed formally at a meeting called for November 30 with city, State, county and Federal officials.

Baer Opposes Making New Court Bigger

By BRUCE WINTERS

Senator Aaron A. Baer (D., Fifth Baltimore) today took a "dim view" of a proposal that five additional judges be added to the newly created Municipal Court.

Voters Tuesday approved formation of the new eleven-man court for Baltimore. It will replace the present police and traffic magistrate system next year.

Delegate Marvin Mandel (D., Fifth Baltimore) has suggested increasing the number of judges to sixteen because of the combined work load they will carry.

"I see no reason to increase the number when we have no experience to show that eleven can't do the job," Senator Baer said.

He added: "It seems to me the burden is on those calling for an increase to show the need for it; and how can they when the court hasn't begun functioning?"

The Senator said he took a "dim view" of adding additional expenses to the initial cost of establishing the new court.

Emphasizing that he was not opposed to expanding the bench at some future date if needs dictate it, Senator Baer suggested the subject be studied along with other matters that must be ironed out before the court becomes a fact.

Further Argument

The Senator said: "It certainly seems to me that eleven full-time judges can carry the workload of the present eighteen part-time judges.

"It was the Bar Association committee which sponsored this amendment for municipal court reform that recommended the number needed on a full-time basis would be eleven judges."

Moreover, Mr. Baer said, there now are only eleven courtrooms available for the new judges, suggesting that to increase their number might require "additional capital expenditures."

Pressman Opposes Plan

Hyman A. Pressman today also opposed increasing the number of judges. In a letter to Howard C. Bregel, chairman of the Governor's Commission on Municipal Court Reform, the attorney wrote:

"It is ironic that Mr. Mandel, who is a member of the Pollack organization which fought the municipal court on the basis that it

Her Stolen \$5 Was Trivial; Costume, Too

A young woman, who was unconcerned over the loss of about \$5 and some personal papers, complained bitterly to police today that her stolen pocketbook contained the entire costume for her act at a Pulaski highway nightclub.

Without it, she told officers, she would be unable to perform tonight.

Miss Margaret D. Guardalibeni, who identified herself as an "exotic dancer" and gave her address as the Albion Hotel in the 900 block of Cathedral street, said the pocketbook was taken by a man with whom she went out to eat after work early today.

They argued, she said, and the man forced her out of his car at Charing Cross road and U.S. 40. Then he sped away before she had a chance to retrieve her pocketbook from the car.

Divorcee, 29, Raped, Robbed

A 29-year-old divorcee was raped and robbed of \$40 early today by a man who dragged her into an alley near the 2100 block West Pratt street.

The woman told Southwestern district policemen she met the man after leaving a tavern at Pratt and Furrow streets and he accompanied her while she walked to her home at Pratt and Smallwood streets.

The man waited outside, she said, while she entered the house to get \$40 which she intended to take back to the tavern to loan to a friend.

Dragged Into Alley

As they walked past Akeworth alley, the man seized her, dragged her into the alley between two garages, assaulted her and took the \$40, the woman said.

The man fled down the alley and ran west on McHenry street, she said.

The woman was examined by a doctor at the Pine Street Police Station who confirmed she had been attacked.

She said she did not know the man whom she described as in his early twenties, slightly built and named "Jimmy."

She is to look at photographs at the Southwestern district station today in an effort to identify him.

Potomac Pact Procedure Being Given Study

Thomas B. Finan, Maryland's Secretary of State, today said he would investigate the step-by-step procedure and current law concerning the publication of legal notices on the controversial Potomac River Compact.

The compact, approved by Maryland voters by a close vote on the State ballot Tuesday, provides for regulation of Potomac River fisheries, including conservation, by a joint Maryland-Virginia commission.

Returns Wednesday from Baltimore county pushed the compact into the approved column by a close vote. Unofficial returns yesterday gave the compact a 33,000 vote majority in the heavy balloting.

Yesterday, Hyman Pressman, Baltimore attorney representing the St. Mary's County Watermen's Association and the Charles County Watermen's Association, wrote Governor Tawes asking him "to refrain from issuing a proclamation" saying the compact has been "adopted by the people of Maryland."

Mr. Pressman charged the voter action was "unconstitutional, illegal and of no effect" because

Maryland sovereignty by Maryland owns the Potomac River.

Mr. Finan, who said he could do nothing until Monday, said he would look at the specific law governing the action by his office. Tawes, after receiving information, he said, would be turned over to the Attorney General to assist in an opinion on the controversy.

Mr. Finan, who said the compact resolution had been the subject of newspaper articles, editorials, radio, TV and club debates, added that he thought courts would say that there had been substantial compliance with the law on publication.

He also said he believed there existed no conscious effort to withhold any information from Maryland voters on the compact question.

Two Killed In State Toll

Police are unsure whether the deaths were the result of injuries received in an auto accident or a heart attack.

Dear Fellow Member:

The Church regrets to announce that on November 8, our beloved Pastor, Dr. John L. Deaton, departed this life with the sign of faith.

The service of Christian burial will be held in Christ Church on Saturday at 11 A.M. His body will lie in state in Christ Church on Friday, from 2 to 9 P.M.

The family requests that in lieu of flowers, members contribute to the Greater Christ Church Fund.

Sorrowfully yours,

In Remembrance

The Lord is my shepherd: I shall not want.

He maketh me to lie down in green pastures: He leadeth me beside the still waters.

He restoreth my soul He leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me: thy rod and thy staff they comfort me
Thou preparest a table before me in the presence of mine enemies thou anointest my head with oil: my cup runneth over:

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever:

His Feet

His feet went here and there About the common earth.
He touched to grandeur all Men held of little worth.

He did not search afar For what He had to say;
His mind reached forth and drew Its strength from every day;

The struggling nets alive With fish drawn from the sea
Supplied Him with the apt And chosen simile. . . .

He saw a neighbor build A house that did not stand—
And men may not forget The House upon the Sand.

He saw a widow drop Her mite into the hoard—
And to eternity That treasure is up-stored;

He heard a publican Who thought none other there—
The souls of all mankind Are richer for that prayer.

O, Poet of the World, I pray Thee, come to me,
That my lame heart might walk, That my dark soul might see;

And teach me, too, to go About the ways of earth
And find the wealth of God In things of little worth.

THE BIBLE SCHOOL ASSOCIATION will meet Thursday, the 18th, beginning with dinner at six o'clock, followed by the program at seven, which will emphasize "OUR PUPILS—NO TWO ALIKE!" Come and find out how your pupils differ and how you can best understand and teach them, through the presentation of filmstrip with recordings, directed by Miss Margaret Heinzerling.

The Program Committee will have on hand a display of books and suggested material on helping teachers to understand their pupils.

The business meeting will be followed by devotions, led by Miss Joanne Gischel.

We hope each Officer and Teacher of our Bible School will be present, and also invite any parents who can come for the program.

THE FLOWERS on the Altar have been presented in loving memory of Mrs. Marie Walther Feldmann, by her sons, Messrs. Walther H. Feldmann and Herman A. Feldmann.

THE ACOLYTES for today are as follows: Morning, John Hazard, Jr.; Evening, Walter Hesse.

THE TWENTIETH ANNIVERSARY
Celebration of the present pastorate will long be remembered by your Pastor and by the great congregation of more than 1,000 in attendance. It was truly a memorable occasion in the life of our Church whose history has been highlighted by many festive events.

Your Pastor and his family would like to express their deepest appreciation, but to do so adequately is beyond our resources. Like all projects of Christ Church, it was carefully planned and skillfully executed. The Ladies' Society started the ball rolling with their wonderful meeting on February 1. Dr. Rasmussen in his inimitable style set the pace with a most inspiring message, and the entire meeting was impressively and appropriately conducted under the able leadership of Mrs. Smith and her capable associates.

The climax came on Sunday night. To the Church Council who initiated the celebration, to the Committee headed by Mr. Julius G. Hlubb, to the Church Staff, to the speakers who participated, to the many women who worked so diligently to prepare refreshments for the vast number of persons in attendance, to Mr. and Mrs. Folkemer for the many pictures prepared at great labor and expense, and to all others who had a part, large or small, we extend most sincere thanks.

The most wonderful thing about it all was the glorious fellowship with so many of our members and friends. To think that you would come out on a cold February night to honor your Pastor touches his heart very deeply.

But you did not stop here. The Governor presented a certificate of distinguished citizenship to your Pastor and a beautiful Bible to Crosby Deaton. Mr. Hlubb in behalf of the entire congregation presented a beautifully bound book of greetings and testimonials from distinguished representatives of the Church and the State, from fellow Pastors and from leaders in our own congregation. By that time our emotions were under a heavy strain, but the climax came when he handed your Pastor the keys to a brand new Chrysler car. For a few moments it appeared that the undertakers in attendance might be needed.

What can we say? Only Thank You! Thank You!! Thank You!!! Your Pastor will try to prove worthy of your esteem and affection. He will use the new robe given by the Ladies' Society and the new car to minister unto you with all the strength and ability which God gives. May God give His blessing as Pastor and congregation labor together for the advancement of His Kingdom!

TRY-OUTS for the play to be presented by the Youth Fellowship in the Spring will be held in the Church Parlor at 3 P.M. today. All interested young people are invited.

THE WOMEN'S MISSIONARY SOCIETY will meet Monday, the 15th, at 8 P.M. Members of Sister Janet's Bible School Class will be our hostesses in presenting the program on "LUTHERAN WOMEN AROUND THE WORLD," and in serving refreshments following the meeting.

Come and bring a friend. We are sure it will be an evening well spent as we learn much more about the broad outreach of our Church, and also enjoy fellowship together.

YOUTH FELLOWSHIP—6:45 P.M.

Last Sunday night, under the leadership of Ralph Welsh, enthusiasm ran high as the young people discussed "Evangelism." Statements such as, "I stay at home and read the Bible, and I am just as good a Christian as you," were discussed. How would you answer it? Tonight the discussion will focus upon the unusual and interesting film, "As For Me And My House." Devotions will be given by Miss Margaret Connor. Let's come and have an hour of fellowship with our friends.

IF WE DO NOT find God walking with us, it is not because He has vanished of His own accord, or has been banished by the hypotheses of science, or has been driven from the world by its sin and wickedness.

It is because we have failed to cultivate our vision, our power to see Him, our gifts of communion and fellowship. We have trained our eyes to see things, to count dollars, to measure distances. We have neglected the most important capacity that belongs to man, the capacity to see God.

CHRIST ENGLISH LUTHERAN CHURCH

CHARLES AND HILL STREETS

BALTIMORE 30, MD.

January 6, 1954

Dear Member:

"We do difficult things immediately; impossible things take slightly longer." Can the members of Christ Church continue our tradition and meet the challenge found in this somewhat boastful motto? We think they can; hence, this appeal for your prompt cooperation in a strictly "hush-hush" project.

On Sunday evening, February 7, 1954, we plan a congregational fellowship and social meeting to mark the 20th anniversary of Dr. Deaton's appearance on the local scene. The significance of this occasion in the life of our church needs no urging. We have indeed been blessed by our Pastor's ministry and have cause to thank God for his unswerving loyalty to us in the face of the many flattering and attractive calls to other fields which he has received and declined. The bare fact of the observance is known to Dr. Deaton, but the details are to be filled in by others and will come as a surprise to him, provided you are willing and able to keep a secret.

It is important, first of all, that you use the attached reservation form to let us know without delay if you intend to be present, so that the Social Committee can make the necessary arrangements with efficiency. As an added incentive, were any needed, copies of a recent portrait of Dr. Deaton will be distributed as souvenirs of the occasion.

In the second place, those in a position to know report a pressing need for replacement of the Pastor's car. In view of the many "second miles" it has been run in our service, the purchase of a new car appears to be the most appropriate gift which we could make at this time. You are, therefore, invited to make your contribution for this purpose in the enclosed envelope.

Please be sure to return reservation or contribution (preferably both) by the next outgoing mail, if possible. It's been said that it can't be done! Are you willing to try? In military language, let's keep "Operation Auto" top-secret until after February 7.

Faithfully yours,

Julius G. Hlubb

Sent to Dr. Lloyd Keller for Lutheran*

On the evening of February 7, Christ Lutheran Church, Baltimore, Maryland, celebrated the 20th Anniversary of the pastorate of the Rev. John L. Deaton, D. D. Addresses were made by the Governor of Maryland, the President of the Maryland Synod and the Rev. L. Crosby Deaton, recently ordained son of the Pastor, and Assistant Pastor of Trinity Church, Germantown, Philadelphia. More than 1,200 persons were present for the service and the fellowship hour which followed. Dr. Deaton was presented with a bound volume of greetings and testimonials from prominent officials of the Church and State, from fellow Pastors and friends. At the conclusion of the service, the Chairman of the Committee, Mr. Julius G. Hlubb, presented to him, in the name of the congregation, a gold key to a new Chrysler automobile.

Christ Church is located in a down town section of Baltimore, which has become increasingly an industrial section of the city. Only about 10% of the members live within walking distance. The other 90% are widely scattered over the city and its suburbs. Notwithstanding the contribution of members to missions, and other Churches, the gains of Christ Church through the years have been more than sufficient to maintain its membership and increase its life and activity. Normal attendance at all services on Sunday averages more than two thousand. For sixteen years the eleven o'clock morning service has been broadcast and the listening radio audience is estimated at many thousands.

Perhaps the most notable achievement of Christ Church in these two decades is found in the fact that she has sent nine young men into the ministry, all of whom are eminently successful in their fields of service. The number of persons reached each week by Christ Church and the Churches served

by its sons is more than 25,000 including the radio audience.

Within this pastorate, Christ Church has erected a modern Parish House containing the finest facilities for the work of Christian education and many other activities of the parish. The Children's Chapel has been acclaimed as one of the most outstanding in the country. Christ Church is now looking forward to the erection of a new Church. Her members believe that the witness of the Church in this location is greatly needed and plans to carry on its ministry here.

MOOS LEADS FOR GOP POST

Hopkins Professor Choice Of
Top Men For City Chairman

By CHARLES G. WHITEFORD

The Republican City Committee is expected to meet sometime next week—probably Monday or Wednesday—to elect a chairman to serve until after the primary. Charles A. Dorsey, treasurer, disclosed yesterday.

Dr. Malcolm C. Moos, professor of political science at the Johns Hopkins University, is the choice of the top leaders of the party.

Mr. Dorsey said that he knows only of "about a half-dozen" of the 42 committee members who are opposed to Dr. Moos. However, there may be a bitter fight within the committee before the voting takes place, it was learned from other sources.

Some Bypassed

Some of it may come from men within the party who had hoped to get juicy political plums from Governor McKeldin, but were bypassed in the patronage handout.

Mr. Dorsey sent letters to other members of the committee over the week-end indorsing Dr. Moos as the best man available for the job and as one who "has the confidence and good will of our Governor and our two United States senators."

The committee also will vote on a proposal for a radical change in the method of electing its members—a change designed to give the bigger wards more equal representation.

Present Makeup Outlined

At present, the committee (known for ballot purposes as the Baltimore City Republican State Central Committee) is made up of:

One elected executive for each of Baltimore's 28 wards.

One man and one woman chosen as representatives on the committee from each of the six legislative districts.

Two women representing the city at large.

A chairman elected by the other 41 committee members.

Changes Suggested

Under a resolution coming up for adoption at next week's meeting, committee members would be chosen in this manner:

Each ward would have at least one elected executive.

However, for ballot purposes, the Ninth, Fifteenth and Twenty-sixth Wards would be split into two voting units each, and the sprawling Twenty-seventh Ward would be divided into five units.

Each "big ward" unit would have an elected executive.

One Member Each

Legislative districts would have one member each, instead of a man and woman each.

The chairman would be elected by the other committee members as usual.

Sponsors feel this would divide

JUBILEE CAKE—Dr. John L. Deaton cuts his twentieth anniversary cake as pastor of the Christ English Lutheran Church as his son, the Rev. L. Crosby Deaton, of Philadelphia, looks on.

Dr. Deaton Honored On 20th Anniversary As Pastor Here

More than 1,000 persons last night paid tribute to the Rev. Dr. John L. Deaton at a special service in observance of his twentieth anniversary as pastor of Christ English Lutheran Church, Charles and Hill streets.

A greeting from the congregation and the clergyman's immediate family was brought by a son, the Rev. L. Crosby Deaton, assistant pastor of Trinity Lutheran Church, Philadelphia, who was ordained at Christ Church two weeks ago last night.

The Rev. Dr. J. Frank Fife, president of the Maryland Synod of the church, brought the compliments and good wishes of Lutherans of Maryland.

Gives Certificate

Governor McKeldin, presenting congratulations for the people of the State, gave Dr. Deaton a certificate of appreciation of his services to the church and the community and young Mr. Deaton a copy of the Bible on which the Governor took his oath of office.

Julius G. Hlubb, chairman of the anniversary committee, presented Dr. Deaton with a book of 100 testimonial letters from leaders in the city and State of all denominations. He also gave the clergyman a gold key to a new automobile, donated by the congregation.

Following the service Dr. Deaton's wife another son, Hugo, who

gation in a party in the church's assembly room where Dr. Deaton cut a large anniversary cake.

In opening the speaking program, young Mr. Deaton said that when his father took over the pastorate of Christ Church his motto was "I am come among you to serve." He said his father's ministry was not that of one man but of the entire congregation cooperating with him. The congregation, he added, "has a warmth of fellowship that is refreshing."

Dr. Fife noted that Dr. Deaton's influence has become widespread. The church, he said, has the largest staff of any in the Maryland Synod and has given eleven young men to the ministry.

Dr. Fife noted that the church had 1,166 members in 1934 and 1,386 in 1953 despite the movement of many congregations and the creation of many missions in rural sections of the city; that the church budget was \$21,093 in 1934 and \$48,043 in 1953; that church benevolences totaled \$8,266 in 1934 and \$24,869 in 1953, and total expenditures were \$29,359 in 1934 and \$135,284 in 1953.

Sum Of \$1,291,629

He said that in 20 years the total sum represented at the church was \$1,291,629, which indicates, he added, that Christ Church is an alert, active and generous church.

He recalled that, among other

called them into his study for a brief prayer service.

Mr. Ross first took piano lessons in his native Xenia, Ohio at the age of 6, and was a professional pianist within four years.

At 10, he was called a child prodigy and at 12 began an extensive study of the instrument which was to become his life.

He was first violinist in the Central High School orchestra, having taught himself the instrument in order to play with that group, which already had two pianists.

While still in high school, he became organist of the First Presbyterian Church, in Xenia, his first position and one he held until coming to Baltimore at the age of 19 on a scholarship to the Peabody Conservatory.

This he won on a second try. Failing in competition for a scholarship in piano, he returned the next day, this time at the organ, and was successful.

Appointed To Church

In 1934, during his third year in the conservatory, he was appointed organist and choirmaster of the Church of the Holy Nativity, where he sang tenor in the choir.

The artist's diploma in organ, highest honor awarded to a graduate, was given him by the Peabody in 1937. Mr. Ross was the ninth to receive that distinction in the school's history.

Following graduation, the musician received a year's leave of absence from Holy Nativity for graduate study in Paris under M. Joseph Bonnet, the French concert organist.

Others among his instructors well known in their fields include: Louis Robert, at Peabody; Charles Courboin, the Belgian, in Philadelphia; T. Tertius Noble, contemporary composer of church music, in New York—all in organ.

Studied With Strube

Also, he studied composition with the late Gustav Strube, at the Peabody, and with Leo Sowerby, in Chicago.

When war broke out in Europe, the young organist returned to New York where he played at St. Thomas Church, an interlude followed by two years in churches, universities and ballrooms from Hollywood to Portland, Maine.

In 1941, he appeared as soloist before the national convention of the American Guild of Organists, a quick successor to a recital in the Washington National Cathedral.

Entered Army

Entering the Army the following year, he became Sergeant Ross, chaplain's assistant, a capacity in which he gained wide acquaintance with blackouts and a three-year period which he shrugged off, saying, "I drove all

May 23, 1953—Reposessed by dealer by assignment of title. Paid-in installments, \$160.

July 4, 1953—Sold to a man in Anne Arundel county for \$445, with \$160 down and a lien for \$285.

December 22, 1953 — Repossessed after dealer collected \$160 in monthly installments.

December 31, 1953—Sold to the man on East Baltimore street for \$325—\$100 down and the \$225 balance in monthly payments, se-cured by a lien under a condi-tional-sales contract.

An Exceptional Case
For a single car, this is an ex-ceptional case. But reposessions, with consequent loss to buyers and profits to sellers, occur at the rate of more than twenty a day in Maryland.

Some dealers are encouraging prospective car buyers to over-extend their credit. Many of them advertise "no down payment." Credit ratings of purchasers are rarely checked. Anybody can buy a used car on credit.

Last year, eleven finance com-panies in Baltimore reposessed 5,680 cars, at an average gain—to themselves and to the car dealers they serve—of \$900 a car.

It is profitable to the used-car dealer if his customers pay their bills. It is even more profitable if they don't pay them.

Greek-American Club, Thomas Indorse Byrd

The Greek American Civic Club has announced its indorse-ment of Dr. H. C. Byrd as Demo-cratic candidate for Governor. The club gave a luncheon for Dr. Byrd last Tuesday.

Basil A. Thomas, chairman of the club's executive board, and former administrative assistant to Mayor D'Alessandro, announced his support of Dr. Byrd.

Car Dealers Have Code Of Ethics

(Continued from Page 26)
and swindles sometimes perpet-uated on used-car buyers by un-scrupulous dealers.

5. Not to charge unfair and exorbitant rates for financing cars bought from us.

6. To guarantee every car we sell to be as represented—and in the event we have a complaint which we may not be able to settle to the complete satisfaction of our customer, to adjust such complaint through the public re-lations committee of the associa-tion.

Members Policed
Mr. Miller said the association polices its members, and any firm that is discovered violating any provisions of this code is forced to surrender its membership. The dealers who hold member-ship in the association display as an emblem a four-leaf clover en-circled by the name, Associated Used Car Dealers, Inc.

Wyomissing, Pa., was Dr. Deaton's first pastorate. Here the mission Church of the Atonement grew from 28 members to a self-sustaining congregation of 400 in five years, building meanwhile a \$100,000 church.

In 1924 he became pastor of the Church of the Advocate, Germantown, Pa. Here he met and married Miss Isabelle Berger, of Schuylkill Haven, Pa.

He took over the pastorate of Christ Church here in 1934.

A pioneer in radio ministry—morning services have been broadcast there for sixteen years—Dr. Deaton has been an active leader in the community as well as to his widely-scattered congregation.

On Legal Aid Unit

He has served as president of the local Council of Churches and is a member of the board of the Legal Aid Bureau.

He is at present a member of the Deaconess Board of the United Lutheran Church and of the Board of Trustees of the Deaconess Motherhouse and Training Schools, both in Baltimore and Philadelphia.
